- ❑ Maureen Sullivan Foley, PhD, RN, was a dynamic New Jersey Nurse leader for more than 50 years.
- ❑ Dr. Foley had been the dedicated President and CEO of the original Bayonne Visiting Nurse Association and Hospice (BVNA) for more than 48 years. After the sale of the BVNA at the direction of the BVNA and Community Health Connections Foundation (CHCF) Boards, inclusive of Dr. Foley, the CHCF grantmaking private foundation was created.
- ❑ Dr. Foley's leadership in the nursing community was exemplified by her many appointments including her seat on the New Jersey Board of Nursing and the Nursing Shortage Commission, as member of the Board of Governors for the National League for Nursing and her 10 year tenure on the Board of the Community Health Accreditation Program (CHAP). Proudly, Dr. Foley was the President of the New Jersey League for Nursing from 1986 to 1988.
- ❑ The Community Health Connections Foundation (CHCF) established this award to memorialize Dr. Maureen Sullivan Foley's legacy and to inspire other nurse leaders in New Jersey to continue her work.
