

New Jersey League for Nursing

Dear Colleague:

The **New Jersey League for Nursing** will be hosting our annual **PRACTICAL NURSE STUDENT EDUCATION PROGRAM** on **Wednesday, April 24, 2024, from 8:00 a.m. to 3:00 p.m.**, live at the Pines Manor, Route 27, Edison, NJ.

This program is for senior Practical Nursing Students from schools of nursing in New Jersey. Our theme is "Journey Into Practice: Taking the First Steps." **We invite you to be part of this event as one of our premier exhibitors and/or sponsors.**

This program has been developed by nursing faculty and nurse leaders in the practical nurse setting to help senior students as they plan for their transition from academic studies to practicing nurse. Ample time is scheduled during breaks and lunch for participants to visit exhibits and talk directly with you or your representatives. We know schedules are hectic, so our exhibit times are designed to end after lunch.

This is an exceptional opportunity for nurse recruitment, educational institutions that offer RN degree programs, and medical products or service companies. We have received an overwhelmingly positive response from the New Jersey LPN Schools of Nursing who register their students, and this year we anticipate approximately 250+ attendees.

Please review the Exhibitor/Sponsorship information for complete details on our website: www.njln.org/pn_day.html or you may register as an exhibitor and/or sponsor online by [CLICKING HERE](#). We are offering one FREE Exhibit Space to any vendor who participates as a Sponsor with financial support of \$1,000 or more. This is a great value and helps to show your support further! General Exhibit space is available at the low cost of only \$450. We can accommodate up to Nine (9) Exhibitors at this event, so it is important to register early.

If you require additional information, please contact me, info@njln.org or [908-267-9109](tel:908-267-9109) (cell). We appreciate your support and look forward to seeing you at the **NJLN 2023 PRACTICAL NURSE (PN) STUDENT EDUCATION DAY!**
