6.25 Contact Hours

In support of improving patient care, this activity has been planned and implemented by Rutgers Biomedical and Health Sciences and the New Jersey League for Nursing. Rutgers Biomedical and Health Sciences is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

2025 PRE-CONVENTION NURSE EDUCATORS PROGRAM

Current Trends in Nursing Education: AI, Academic Integrity, and the Shift Toward Active and Competency-Based Learning

March 26, 2025, 8:30 am – 4:15 pm
Harrah's Resort, Longport Room

Program Overview:

Join us! Don't miss this opportunity to expand your educational toolkit and inspire a new generation of nursing professionals.

This engaging workshop is designed for educators and leaders across various educational programs who are eager to delve into the world of competency-based education. Discover the transformative potential of The Essentials: Core Competencies for Professional Nursing Practice* (2021), a cutting-edge blueprint for cultivating excellence in nursing.

During this dynamic session, we will explore effective strategies to foster student accountability and uphold academic integrity. We will also dive into the latest trends in leveraging artificial intelligence to enhance teaching and learning experiences.

We'll also take a deep dive into unraveling the mysteries of active learning in the field of nursing. You'll learn the 'what,' 'why,' and 'how' of active learning techniques that can invigorate your classroom and empower your students.

Register today to join us and be at the forefront of educational innovation! Earn 6.25 Contact Hours.

Program Objectives/Outcomes:

- Explore features of competency-based education to promote consistency in graduate outcomes.*
- Discuss nursing education standards and guidelines regarding ethical behavior, accountability, and inclusivity in the learning environment.
- Identify concerns related to integrity and student accountability in the learning environment.
- Explore the use of artificial intelligence and other strategies to foster critical thinking, clinical judgment, and student accountability in the learning environment.
- Discuss the active learning concept and its relevance in nursing education, particularly in didactic and clinical learning, simulation-based, and competency-based education.
- Explore an Active Learning environment and leave with practical strategies to implement in your teaching setting.

* The Essentials: Core Competencies for Professional Nursing Education, a publication owned by the American Association of Colleges of Nursing, which may be accessed at: <https://www.aacnnursing.org/essentials/download-order>
