

Candidate Position Statement and Biographical Information

Position: Nominations Committee

1. Candidate Information

Name of Nominee:

Jordan Sulewski, MSN, RN

Education (Highest Degree Held and School):

MSN in Leadership – Rutgers (Graduate DNP Leadership 5/2026)

Position Statement:

As a Nurse Educator, I am committed to lifelong learning and the advancement of nursing education as a foundation for safe, ethical, and evidence-based practice. I believe strong nursing education is essential to preparing nurses who are adaptable, competent, and responsive to the evolving healthcare needs of diverse populations.

Joining the New Jersey League for Nursing represents an important opportunity for professional growth and engagement within a community dedicated to educational excellence and leadership in nursing. I am eager to connect with nurse educators and professionals who share a commitment to innovation, scholarship, and the continuous improvement of nursing education across academic and clinical settings.

Serving on the board for the New Jersey League for Nursing, I hope to expand my knowledge of teaching and learning strategies, stay informed on current trends and standards in nursing education, and contribute to professional dialogue that supports faculty development and student success. I am motivated to both learn from and actively participate in an organization that plays a vital role in shaping nursing education and strengthening the future of the nursing profession in New Jersey.
